Partnership for Domestic Abuse Services Mission

The mission of the Partnership for Domestic Abuse Services is to create a comprehensive, centrally located domestic abuse service center in the City of St. Paul;

Where victims, including children, will have access to protection, culturally relevant services and support from the criminal and civil justice system, advocacy, legal aid and social services providers; and

Through which victims will experience respect, safety, and security, and perpetrators will be held accountable for their actions to the highest degree possible; and

Will link and leverage the myriad of services available for adult and child victims of domestic violence, increase provider capacity, and close existing gaps in service.

Centralized services and safety for victims of domestic violence in Ramsey County.

About Domestic Violence

Domestic violence is a pattern of behavior in a relationship that is used by one person to gain or maintain power over an intimate partner. Abuse is physical, sexual, emotional, economic and/or psychological actions or threats that influence, hurt, or control another person.

If you, or someone you care about, are experiencing domestic violence, call Bridges to Safety, Monday-Friday from 8:00 a.m. to 4:30 p.m. at (651) 266-9901.

After hours or on weekends, please call the Minnesota Domestic Violence Crisis Line at (866) 223-1111.
